opportunities in the faculty of education

Faculty of Education

The Faculty of Education is a widely acknowledged leader in education, nationally and internationally, with an outstanding reputation as a provider of quality education programs. These programs range from The Early Years, Primary and Secondary teacher education to our postgraduate coursework and research programs in Literacy, TESOL, ICT in Education, Educational Leadership, Physical & Health Education, Special Education, Adult, Vocational and Higher Education. The Faculty of Education is very well supported and resourced by the University and there is a high level of collegiality among staff. The Faculty enjoys close links with the teaching and broader education community and has a strong commitment to innovative evidence based research.

The successful applicants will join a large team of highly accomplished and committed academics who share a passion for education, excellence in research and a pursuit of social justice and equity in our society through an ongoing engagement with the teaching profession and a commitment to our community.
